To the Editor, Prof Labadarios

Review article for the South African Journal of Clinical Nutrition: Food and Nutrition labelling

Thank you very much for the opportunity to submit this review article for possible publication in the SAJCN.

Please find the review article titled: "Food and Nutrition labelling: The Past, Present and The way forward" attached.

For the review process of this body of work, the authors would like to request that the following persons not be considered as reviewers due to them being part of the team responsible for the validation of questionnaires and other material linked to this particular PhD study.

Ms Jane Badham
Ms Megan Pentz-Kluyts
Ms Maritha Marais

Kind regards

Nelene Koen
